Re: New Participants Physical Examination

Participant: _____ Exam Date: _____

Every employee of New Vision Wilderness must have a completed physical examination from an authorized physician.

Dear Doctor,

The above stated individual is going to participate in an outdoor adventure program. He/she may, on occasion, hike up to 10 miles a day in sometimes very hot/cold weather in wild and variable terrain. The participant will be carrying all of his/her equipment in a backpack and will be camping outdoors throughout the program.

We would appreciate your candid appraisal of the students' current health status. If you find the participant is 'fit' for this type of experience, please sign the physical form. If you find this participant 'un-fit' to manage such an experience, please be honest and open with the participant, the parents and New Vision Wilderness at this time.

Thank you,
Heidi Strand
Executive Director, New Vision Wilderness, LLC
